The United Food and Commercial Workers is the longest standing partner of The Leukemia & Lymphoma Society. Thanks to your hard work and dedication, we continue to make great strides towards our shared goal of a world without blood cancer. UFCW has directly supported our research portfolio which provides funding to the best and brightest researchers across the globe for more than three decades. Those research projects continue to result in life changing advancements for our patients.

UFCW Local 328 has been one of the top fund-raising locals for more than 20 years. Their long-standing golf tournament at Swansea County Club has raised more than \$1 million dollars to support lifesaving research.

A sincere thank you on behalf of everyone at LLS and most importantly the patients we serve for your ongoing support.

Good Luck and enjoy the tournament.
