Re: Stop & Shop Negotiations

Dear Brothers and Sisters,

On December 15th, the Leadership from the five New England UFCW Locals will be having a preliminary meeting with your employer Stop & Shop. The purpose of this meeting is so that both sides can meet to discuss ground rules and procedures.

At this meeting we will also schedule future meeting dates which I shall pass along to you once they are scheduled.

I appreciate everyone's trust and support during these demanding times. I would ask that you all stay united and strong while we bargain with your employer.

And remember; "Our unity is our strength, and Our strength is our unity."

Sincerely and fraternally yours,

Timothy M. Melia
President UFCW Local 328
